

Looking for an exciting summer camp opportunity?

# Earth and Sky Camp 2018

June 18-22, 2018

Explore Montevallo's finest outdoor spaces  
(observatory, swamp, Orr Park, Shoal Creek Park)

Enjoy interactive talks with esteemed professors

Engage in activities to understand how to protect and  
preserve natural resources

Discover Alabama's ecosystems

Examine environmental social justice and how it  
impacts our world

Build Relationships with your Peers
